

AshishKumar Gangwar

Master's In Network Technology & Management

A highly motivated and ambitious Master's candidate in Network Technology and Management at Amity University Noida, I possess a strong background in cybersecurity and networking. My passion for these fields has led me to pursue an internship opportunity where I can actively contribute to the industry while gaining valuable hands-on experience. experience in encrypting data, steganography, and file integrity detection through two innovative projects, I have demonstrated my ongoing commitment to learning by completing various certifications in networking and cybersecurity from Cisco and Amity University.
